

Erasmus en el nuevo programa en el ámbito de la educación y la formación 2014-2020

**V CONFERENCIA NACIONAL TEMÁTICA Y V FERIA DE
VALORIZACIÓN DEL PROGRAMA DE APRENDIZAJE PERMANENTE
1 Y 2 DE DICIEMBRE DE 2011**

Luca PIROZZI – Comisión Europea - DG Educación y Cultura
Educación Superior - Erasmus

Some challenges

- **Too many early school leavers** (in 2010, 14.1% of 18-24 year olds have less than upper secondary education)
- Only **32.3% of EU population have an HE degree** (USA: > 40%, Japan: > 50%)
- By 2020, 35% of all jobs will require high-level qualifications (today: 29%) = "**knowledge economy**"
- **Youth unemployment** is too high: 21%
- **EU 2020 target**: 40% of young people to successfully complete higher education or equivalent studies

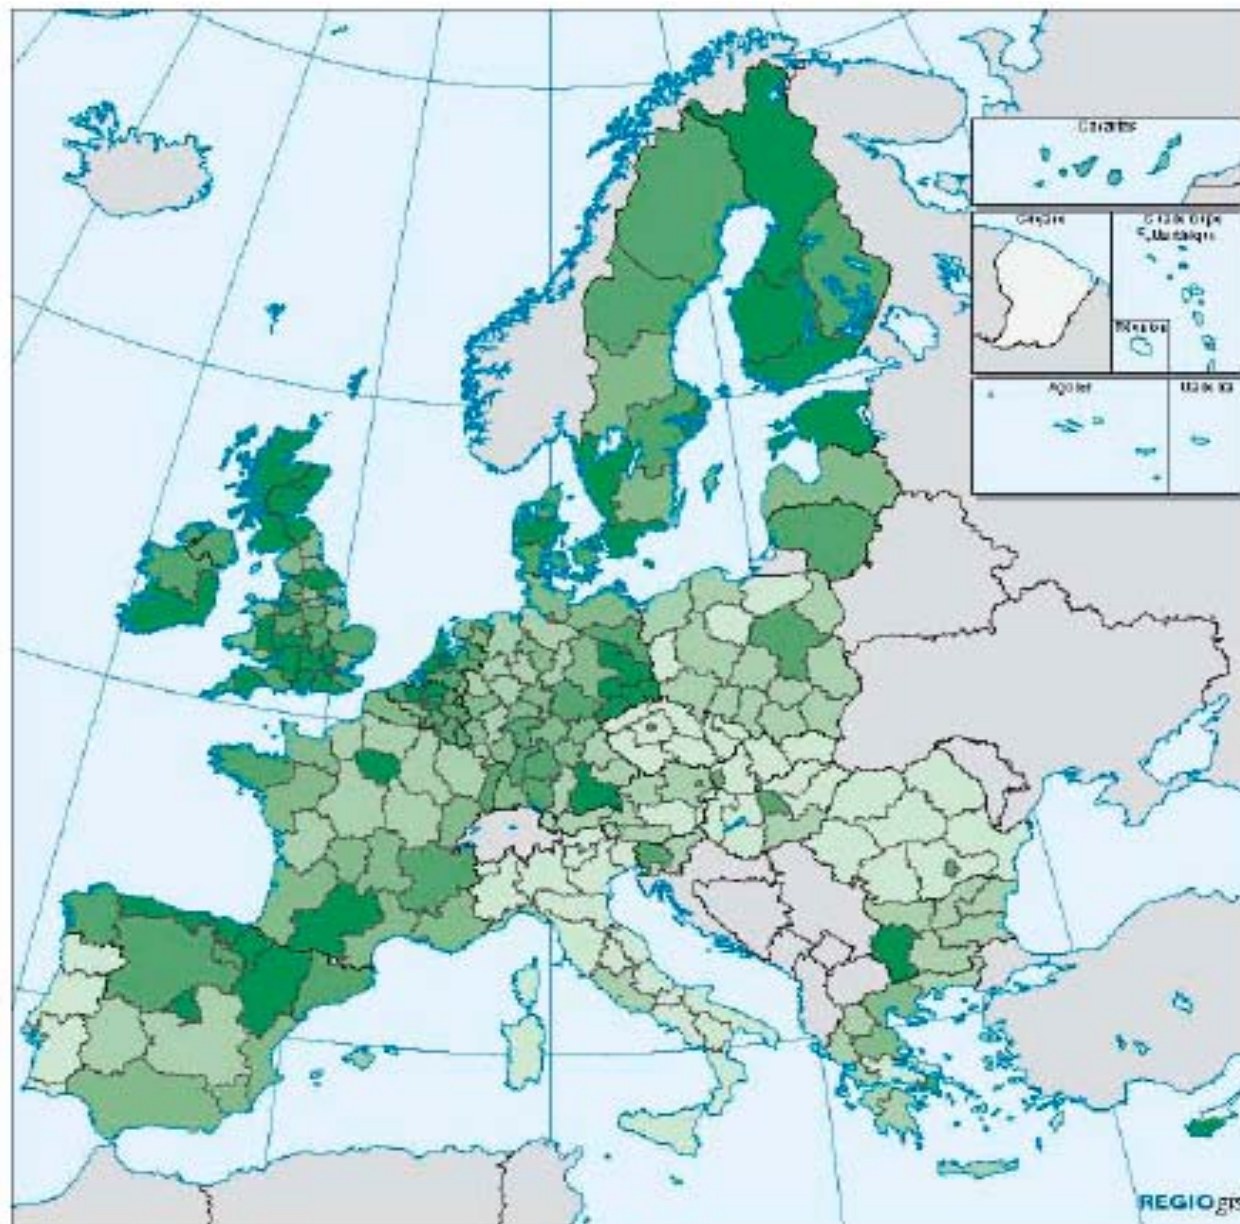

Progress towards the 40% target

Europe needs more graduates...

Education and Culture DG

% of total population aged 25-64

- **Europe 2020** Strategy for “**smart, sustainable and inclusive**” growth in the next decade, including headline targets
- Modernisation of HE Systems / **Bologna Process**

Commission Communication COM (2011) 567 and accompanying Staff Working Document – adopted 20th September

Key policy messages

for Member States & Higher Education Institutions

Key policy messages (1)

1. **Increase attainment levels** (in line with Europe 2020 agreed national targets), including among underrepresented groups

- Outreach to underrepresented groups, guidance and targeted financial support
- Progression routes and recognition of prior learning and experience
- Reduce drop-out

2. **Improve quality and relevance**

- Graduate employability
- Tailoring learning modes to a diverse student body
- Exploiting potential of ICTs
- Motivating and rewarding excellent teachers
- Programmes informed by and adapted to labour market needs

3. **Quality** through **mobility & international co-operation**

- Learning mobility windows and moving between programmes
- Efficient recognition of studies abroad
- Improving access and employment conditions for non-EU students and researchers

4. **Education, research & business** for excellence and regional development

- Stimulating entrepreneurial, creative and innovation skills and learning environments
- Encouraging partnership and co-operation with business
- Involvement of HE institutions in regional development plans

5. **Governance and Funding** to support strategic choices

- Sufficient, efficient and well-targeted funding
- Empowering institutions to play to their strengths

EU-level action

EU-level action (1)

- **Improving the evidence base to support policy-making and increase transparency**
 - 'U-Multirank'
 - Better data on mobility and employment outcomes and matching skills with jobs
 - Analysis and peer learning on funding approaches
 - High level group to look at key topics for modernising HE
- **Promoting learning mobility & international co-operation**
 - Erasmus Masters student loan guarantee
 - Strengthened ECTS
 - Analysis of student mobility flows & franchise education

EU-level action (2)

- **Innovation, job creation and employability**
 - Strategic Innovation Agenda and Knowledge Alliances
 - European Industrial PhD
 - Quality framework for traineeships
- **Internationalisation of higher education**
 - Promoting the EU as a study and research destination
 - Facilitating mobility and exchanges of students and researchers with countries outside the EU
- **Strengthening complementarity between EU funding programmes** (Education & Training; Research & Innovation; Structural Funds)

- **Council Conclusions** on the Modernisation of Higher Education – 28th November
- **Parliament Opinion**, CdR & EESC opinions (early 2012)
- **Action Plan** to take forward specific initiatives **with follow-up** – how the EU can help Member States through both policy dialogue and programme support

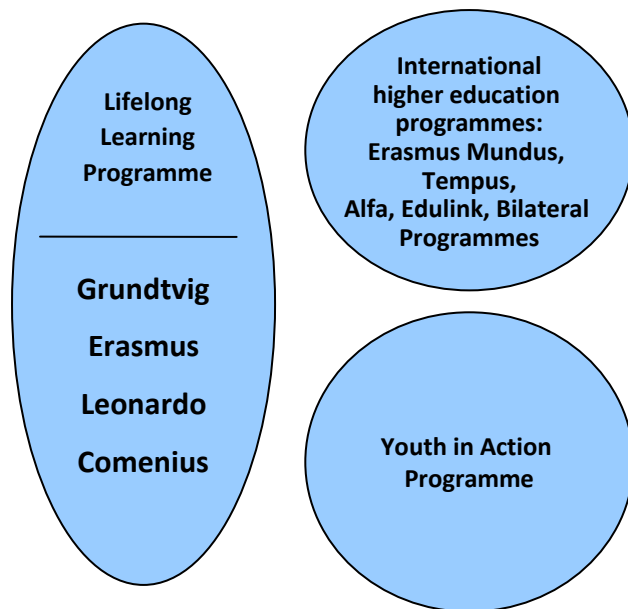

Erasmus for All

The Commission's proposals for 2014-2020

A Streamlined architecture

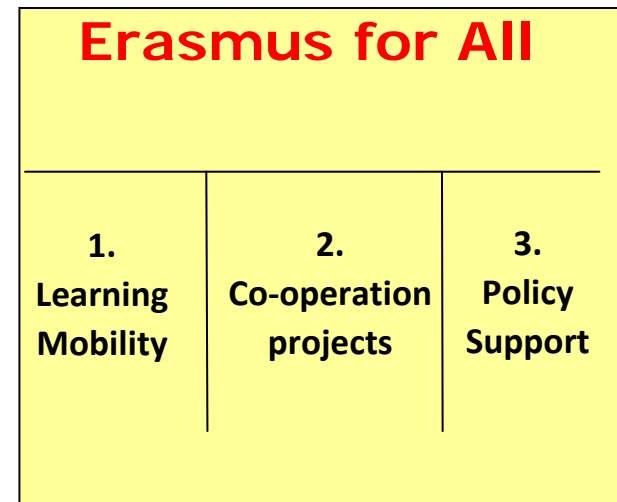

3 Key actions

Existing programmes

A single integrated programme

€19 billion

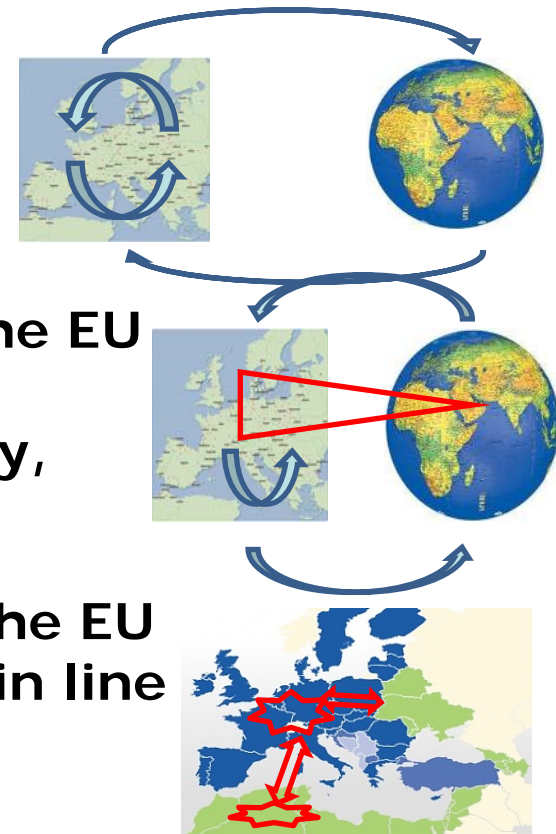

Specific activities:

- Jean Monnet
- Sport

International Dimension

1. International opening: **more mobility** of students and staff between EU – non EU **in both directions**
2. **Joint Master courses of high quality** offered by consortium of EU/non EU universities to attract the very best students worldwide
3. **More cooperation** between universities in the EU and **neighbourhood countries** for capacity building and more student and staff mobility, in line with development objectives
4. **More cooperation** between universities in the EU and **rest of the world** for capacity building, in line with development objectives

Priority Activities

ERASMUS FOR ALL

Key action 1:

Learning Mobility

66% budget

Key action 2:

Co-operation

26% budget

Key action 3:

Policy Reform

5% budget

Key Action 1

LEARNING MOBILITY OF INDIVIDUALS

Focus on four activities:

1. **Staff Mobility** (teachers, trainers, school leaders, youth workers)
2. **Mobility for HE students**, including as a part of joint/double degrees **and VET students**
3. **Erasmus Masters** for MA degree mobility of HE students, with a new Loan Guarantee mechanism
4. **Youth Mobility**, including volunteering and youth exchanges

International dimension: mobility for EU and non-EU beneficiaries

Key action 2

COOPERATION FOR INNOVATION AND GOOD PRACTICES Education and Culture DG

Four key activities

1. **Strategic Partnerships** between education/youth establishments and/or other relevant actors and cooperation with other regions
2. **Knowledge Alliances**, large scale partnerships between education/training establishments and businesses + **Sector Skills Alliances** to create new sector-specific curricula
3. **IT support platforms**, including e-Twinning
4. **Capacity building in non-EU countries**, with a strong focus on Neighbourhood countries

Key action 3

SUPPORT FOR POLICY REFORM

Three key activities:

1. **Support to Open Method of Coordination**
(ET 2020, EU Youth Strategy)
2. **EU tools:** valorisation and implementation
3. **Policy Dialogue:** stakeholders, **non-EU countries, international organisations**

Management by National Agencies:

(65%)

- Learning mobility of individuals (excluding joint/double degree) also for the international dimension
- Cooperation for innovation and good practices: Strategic partnerships between education institutions or between youth organisations and/or relevant actors

Centralised management by Executive Agency:

(35%)

- Learning mobility of HE students in joint/double degree
- Cooperation for innovation and good practices: Knowledge alliances, Sector Skills alliances, Capacity building in third countries, IT support platforms
- Support to policy reform: Support to open method of coordination, EU transparency tools, Policy dialogue

Centralised management by EC:

Residual

New Programme
