UNIVERSITY OF SIENA

Applications for 1st and 2nd cycle degree programmes

More search options

Applying to the University of Siena for an evaluation of candidate's qualifications is easy. Here are the steps to follow. You can apply via our online application system for up to two first or second level degree courses (Bachelor Degree and Masters' programmes), and the evaluation will be communicated within approximately one month, after the closing date of the related intake. The application fee is 30 euros per course. After the registration, for further entries in your online application you just need to sign in with your personal access code. Please note that you can work on your application throughout the intake period for applications.

Application process

Step 1: Find the right programme (you can choose up to two programs).

Step 2: Click on "Become an applicant" to start your application. Shortly after
