IE UNIVERSITY

ECOSYSTEM

## **IE Business School**

A global leader in business education, IE Business School shapes innovative leaders and offers top-ranked programs. Its dynamic ecosystem supports entrepreneurship, providing dedicated spaces and events for startup development and pitching to investors.

## **IE School of Politics, Economics & Global Affairs**

Equipping professionals for global leadership, this school is a full member of APSIA, preparing individuals for key roles in private, public, and not-for-profit sectors through a comprehensive curriculum in politics, economics, and global affairs.

## IE Law School

Globally recognized for high legal standards, IE Law School trains lawyers and legal consultants with an international profile. It offers various degrees, including collaborations with Northwestern Pritzker School of Law, and executive education programs.

## IE School of Science & Technology

Positioned as a major SciTech Hub in Europe, this school sets a new standard in STEM education. Focused on creating impact-driven technology leaders, it bridges the gap between STEM research, tech companies, and entrepreneurs through hands-on learning and high-impact research.

## IE School of Architecture & Design

Emphasizing design excellence and innovation, IE School of Architecture & Design nurtures a creative approach to architecture. Students learn the latest digital techniques and develop an entrepreneurial spirit, becoming well-rounded professionals.

## IE School of Humanities

Embracing diversity, technology, and a global vision, IE School of Humanities offers programs designed for the 21st century. It explores philosophy, history, arts, culture, and the human experience, ready to tackle challenges in humanity's relationship with technology.

## IE Lifelong Learning

IE Lifelong Learning focuses on personal and professional growth through innovative training programs. Offering advanced executive education programs and exciting academic pathways, it empowers individuals and organizations with diverse and flexible formats for maximum impact.

**Fostering Positive Change  
through Education, Research,  
and Innovation.**

Empower students to create lasting societal impact

---

Promote constant learning, innovation and cutting-edge research

---

Cultivate a supportive international community

---

Embed sustainability and awareness in all activities

---

Shape students into lifelong active citizens

# OUR PURPOSE & VALUES

# Diversity

Harnessing the power of people  
through diversity

A man with a beard, wearing a grey suit jacket over a white shirt, is walking outdoors. He is smiling and looking to his right. He is holding a silver laptop under his left arm and a brown paper coffee cup with a white lid in his right hand. The background shows a building with large windows and a metal railing.

# Entrepreneurship

Empowering changemakers  
through entrepreneurship

# Humanities

Understanding the world  
through the humanities

A photograph of two women sitting on a light-colored sofa in a modern office environment. They are both wearing white VR headsets and holding white VR controllers. The woman on the left is wearing a black top and a blue patterned skirt, and is smiling. The woman on the right is wearing a white long-sleeved shirt and blue jeans, and is laughing with her mouth open. In front of them is a wooden table with two laptops. The background is a dark grey wall with some circular accents.

# Innovation

Driving change through  
innovation

**CUTTING-EDGE  
KNOWLEDGE  
AND EXPERTISE  
& SUSTAINABILITY**

A man with short brown hair and glasses, wearing a blue suit jacket over a striped shirt, is speaking on a stage. He is holding a yellow object in his left hand and gesturing with his right hand. The background is filled with lush green foliage. The text "Cutting-edge Knowledge and Expertise" is overlaid in white on the left side of the image.

# Cutting-edge Knowledge and Expertise

# Sustainability

Create a positive impact on society and environment by placing sustainability at the core of our curriculum

**GLOBAL**

**FACULTY**

211

internal professors  
representing 44  
nationalities

A balanced faculty

88

women

123

men

An additional

1,700+

adjunct faculty members, contributing  
real-world expertise to education

# WORLDWIDE RECOGNITION

Consistently ranked by prestigious institutions like QS, Financial Times, The Economist, and Bloomberg.

for you at our truly international  
university campus.

**SEGOVIA | MADRID**

# SEGOVIA

Medieval architecture: a unique backdrop for learning

Enjoy a relaxed lifestyle and close-knit community  
Surrounded by beautiful natural landscapes

Just a 30-minute train ride from Madrid

Immerse yourself in Spanish culture and traditions

Form lasting friendships with a diverse group of students

# MADRID

Multiple top companies, cultural riches and a vibrant nightlife: ideal for learning and socializing

State-of-the-art facilities at IE Tower (undergraduate students) and the María de Molina campus (master's students)

Cutting-edge technology integrated into all our classrooms

Endless networking and professional opportunities in a fast-growing hub

#4

best city in the world for expats

Expats Insider 2017

4,000+

different restaurants,  
23 with one or more Michelin stars

#3

largest city by population in Europe

43%

of Spanish startups were founded in Madrid

33

companies are created daily in Madrid

# IE TOWER

Features an environmentally efficient architectural design.

Inaugurated in 2021, it has received the LEED Gold Certification for sustainability.

After a

50%

reduction in emissions and  
consumption in 2021, all of our  
campuses became carbon neutral.

180

meters tall,  
with 35 floors

50,000

square meters of dynamic,  
multi-use space

6,000

students at full capacity

64

classrooms plus  
collaboration areas

7,000

square meters  
of green spaces

# Our Educational Approach

As a transformative educational institution, we empower students to make their mark on society by fostering an environment of constant learning, innovation, and cutting-edge research.
