

TRANSNATIONAL COOPERATION ACTIVITY

“Fast track to employment for immigrants”

3rd to 4th May – Stockholm - Sweden

Type of event:

Thematic Seminar

Working language:

English

Number of Spanish participants:

Up to 2 participants from the field of Adult Education

Profile of participants: organisations currently providing fast tracks to employment for immigrants in society.

Themes and goals of the event: Exchange of good practice and learning of national initiatives such as guidance, VET, multilevel cooperation between stakeholders, validation, language learning.

Expected results: Creating new methods and networks for fast track labour market integration, and new proposals for Erasmus+

Cost:

Event fee: The event fee will be covered by the hosting agency and it will cover accommodation (2 nights) and meals during the seminar (3-4 May).

Travel costs: SEPIE will contribute to the travel costs based on the table provided for TCAs. This financial support will be paid directly to the selected participant by SEPIE in compliance with the procedures established by this agency (see information on the SEPIE website).

Support for accommodation and meals not included in the activity programme: SEPIE will contribute to these costs based on the table provided for TCAs. This financial support (up to 2 travel days) will be paid directly to the selected participant by SEPIE in compliance with the procedures established by this agency (see information on the SEPIE website).

Support for participants with special needs: Applicants with special needs might apply for a reimbursement based on real costs. The reimbursement based on real costs will be granted only if it is clearly justified and requested in the application form, and once approved by the

national agency (SEPIE). This financial support will be paid directly to the selected participant by SEPIE in compliance with the procedures established by this agency (see information on the SEPIE website). By choosing this option, the participant will renounce to a reimbursement based on unit costs.
