

VET Connected - Get Connected

Date: 26.04.2022

Session 1: 10:00-12:00 (CET)

Session 2: 14:00-16:00 (CET)

Place: Ireland, Dublin. ONLINE

Type of event: Transnational training, support and contact seminars of potential Programme participants.

Working language: English

Number of Spanish participants: 2

Profile of participants: VET Connected - Get Connected is targeted at VET organisations that are looking to explore opportunities for new or expanded mobility programmes involving VET learners and staff. Participants should be planning to submit an Erasmus+ Key Action 1 proposal in response to one of the upcoming deadlines.

Themes and goals of the event: The overall objective of the VET Connected - Get Connected event is to provide insights into funding opportunities for learner and staff mobility in VET, providing examples of good practice and opportunities for developing new partnership with Irish and international participants.

The main objectives: The overall objective of the VET Connected - Get Connected event is to provide insights into funding opportunities for learner and staff mobility in VET, providing examples of good practice and opportunities for developing new partnership with Irish and international participants.
